*All satellites awarding 10 or more seats will feature the One and Done format. Chip leaders will be removed and awarded seats at predetermined points in the tournament, and once the bubble nears, players will be redrawn into a reverse shootout where each remaining table will have to eliminate one player before being awarded their seat. See Justin Hammer (@theJustinHammer), DJ Villegas (DJVegas3), or Jordan Cutter (@VegasJDub) for more details

BIG BLIND ANTE INFO
There will be one single ante posted for the whole table by the player in the big blind. The ante is posted first, and players from any position will be eligible to win the entire ante regardless of chip stack. See Tournament Staff for more details
